### Critical Opinions

• “...*What is needed is a fresh approach, and one that is sensitive to the needs of Western philosophers but does not lose sight of the Eastern thinkers or Eastern approaches to philosophy...The scholarship is remarkable and current. P. Vinayacharya has been very comprehensive in this study of the relevant materials and commentary as of the date of publication. As an added bonus to the reader, difficult and complex arguments have been diagrammed without distracting from the overall flow of the presentation. The notation and equations used enable the reader to better grasp the relevance of the arguments rather than being simply “window dressing” in the text*”

- **Dr Larry J Waggle, Dept of Philosophy,**

**Illinois State University, USA**

• “... *We were exceedingly delighted going through certain sections of the English commentary authored by Sri Vinayacharya on the “Mithyatva Anumana Khandanam”. It is an arduous task to decipher the technical works brimmed with jargons into English. Sri Vinayacharya has rendered his service to the dissemination of the eternal philosophy by bringing out a phenomenal premium rendition...*”

- **His Holiness, Sri Vishvesha Tirtha Swamiji,**

**Pejavara Mutt (The school of Sri Madhva’s Realism), Udupi, India**

<b>Auxiliary skills</b>	<ul style="list-style-type: none"><li>• Efficiency over workings of the Linux Operating system</li><li>• Efficiency over workings of the Windows Operating system</li><li>• Efficiency over pagination and Designing Softwares like Pagemaker, Coreldraw, Photoshop &amp; others</li></ul>
<b>Other Interests</b>	<ul style="list-style-type: none"><li>• An exponent of Carnatic classical music with expertise on the Flute, the Veena &amp; Vocal singing</li><li>• A lyric composer and poet</li><li>• A student of South Indian percussion art</li><li>• Chess player and guide</li></ul>
